The Eagle
Volume IX

Dunlap Township
High School

Dunlap, Illinois

Noah Webster defines a yearbook as a "book relating the facts of one year." This is what we, the Class of 1961, have attempted to do in this, the 1961 EAGLE. Time cannot be turned back, but we hope that many pleasant memories of work, play and jobs well done can be recalled with the turning back of these pages.

A yearbook is not primarily for today, but for tomorrow. Today we are here, together with all our friends, and today is forever. But after graduation we will all go our separate ways, perhaps never to meet again. This, our tomorrow, is when the golden book of memories will come to its true value.

DEDICATION

We, the Class of 1961, do dedicate this EAGLE

To the two who have shown themselves to be very interested in us;

To the two who have so unselfishly given of their time this year;

To the two who have given us sound advice on our future;

To the two who have so patiently guided our class activities;

To the two who have been our class sponsors in this, our final and most important year;

To MR. LONTEEN and MR. YODER in appreciation for all you have done for us this past year.

Administration

Chester Pullen; R. R. Allen, Jr.; Warren Fyre; Dr. F. R. Senti, President; D. E. Loesch, Secretary; Charles Cline; Earl Seiwell.

Providing for the facilities and staff that will meet the needs of a sound educational program is the responsibility of the school board. Assisted by the school administrator they determine policy, prescribe curricula, employ teachers, and budget funds. All school expenditures must be authorized by them. Theirs, too, is the task of looking forward and planning for future needs of the school.

Mrs. Horstman, school secretary, assists Mr. Nafziger in innumerable ways to help keep the school running smoothly.

Student Council

SITTING--Mr. Nafziger, Karen Lynn, Dean Tumbleson, Joe Masterson, Susan Burnett, Mr. Scott.
STANDING--Jean Edmiston, Pat Senti, Sandy Gardner Jack Sniff, Tom Brown, Bob Cline, Tom Hoffer, Vicky Marquis, Nancy Senti.

The Student Council is an all-school organization comprised of a representative from each of the four classes and various organizations.

The Student Council has the responsibility of organizing the school elections and the homecoming festivities. The council also assigns dances to the various organizations and classes and selects the assembly programs for the following year.

The council has tried to bring about a gradual change in its constitution and general outlook. This has been done by amending its constitution and airing personal viewpoints in regard to the effectiveness of the council.

The council has instituted a dress-up day and special Christmas assembly which they hope will be annual events.

The Girls' Athletic Association is open to any girl who has a passing grade in physical education. Each girl must earn a minimum of twenty-four points a year to maintain membership.

Four awards, two local and two state, are given on the basis of points earned--seventy-five for the first one and an additional seventy-five points for each succeeding award.

G.A.A. provides an opportunity for its members to take part in intramural sports and encourages good sportsmanship.

The activities include volleyball basketball, and softball tournaments in which the classes compete with each other. Other activities besides the weekly activity period, where the points are earned, are an initiation, Moms' Night, and play days held at various area schools.

G.A.A. also sponsors the annual Sadie Hawkins Dance.

Learning to do,
Doing to learn,
Earning to live,
Living to serve.

The main goal of the Dunlap Chapter of the Future Farmers of America is to prepare its members to become the agricultural leaders of tomorrow. Through a supervised farming program the boys gain knowledge by experience. This program helps the members to choose an intelligent farming occupation and to establish themselves in this field before graduation.

In F.F.A. there are four degrees which a boy may earn--Greenhand, Chapter Farmer, State Farmer, and American Farmer. The Greenhand Degree was given to nine members on October 19, when they became official members. On October 27 Chapter Farmer Degrees were given to three who had successfully completed one year in the supervised program.

October 5 was the date of the land use classification contest in Eureka. There teams and individuals decided which crop would yield the most profit and best conserve the soil. The Dunlap team; Allan Herrmann, Bill Stahl, and Allen McIntyre; placed seventh. In addition Allan Herrmann was eighth in individual competition.

During the year the F.F.A. and F.H.A. co-sponsored two activities, the hay ride in October and the Sweetheart Swing on February 11.

On November 26 the members took a trip to Chicago to see the International Livestock Show. There they saw the world's finest livestock, newest machinery, a horse show, and a rodeo.

SEATED--Julia Yoder, V-Pres.; Nancy Oertley, Pres.; Marcia McGava, Sec. STANDING--Jim Reed, Treas.; Tom Brown, S.C. Rep.

With the addition of the French course to the curriculum of Dunlap High, the French Club was organized under the sponsorship of Rev. Jassimedes. The club is to provide its members and the public with a basic knowledge of the French way of life. Customs (dress, food, etc.) are discussed and some put into practice. Money obtained by dues and projects issued for a French banquet with authentic French food for new members. Extra money is used for the betterment of the school.

ROW 4--Jerry Siegfried, Jerry Down, Mike Leighton, Robin Meredith, Tim Sweborg, Dave Tolley, Dale Hoffman, Joe Masterson, Tom Cline, Jim Holmes, Roger Broyhill.

This year was an active one for the Latin Club. It was re-organized with the help of our sponsor, Mr. Lonteen. Club membership was open to all students who had taken Latin.

The club instituted an executive council composed of the elected officers and four club members--one each from Latin I and Latin II and two from the former students.

A turkey raffle and the Roman Saturnali Dance last December 21 financed the various club activities. The club sponsored a homecoming float and its annual Roman Banquet in May.

Our director, Mr. Filzen

This year the varsity chorus, thirty-five strong, gave eight public appearances. The first was a Christmas concert for the P.T.A. Also given near Christmas was the cantata, "The Child of Bethlehem." The spring concert was May 5. On April 18 the ten Blackhawk Conference choruses presented their festival at Elmwood. The chorus gave four concerts at local institutions in connection with the Jr. Red Cross.

The chorus also participated in the school Christmas assembly and competed against other choruses at contest.

In addition several individuals sang for the Kiwanis Club and entered contests for soloists and ensembles.

The music committee--Nancy Senti, alto; Mary Holland, soprano; Robin Meredith, tenor; and Nyle Sturm, bass--help choose the choral music.

Jerry Siegfried, Lester Andrews, Steve Cornish, and Steve Raistrick find that extra practice does no harm.

Mr. Filzen helps head accompanist Susan Burnett, Karen Herrmann, and Lora Hekel.

ROW 3--Roberta Siewell, Kathy Schubert, Lora Hekel, Karen Herrmann, Val Day, Judy Koehler, Hazel Jones, Dorthy Jones. ROW 4--Rebecca Missen, Jean Edmiston, Sandy Smith, Shirley Gehrig.

The Dunlap Jr. Red Cross is the all-school organization dedicated to service. Actually, all students are members, but few are very active. Among the services the club performed this year were enrollment, a "Toys for Tots" campaign, and a car wash for the blood program.

The money collected from enrollment and homecoming mum sales went to help finance the activities of the Peoria County Council which include parties at local institutions, leadership training, materials for projects, and aid to the International Study Visit Program.

Five girls also served as Grey Ladies in area hospitals.

Spring Sports

1960 proved very successful to the Dunlap baseball team, as they won first place in the Blackhawk Conference with a record of 5-0. In the district baseball tournament they were barely beaten by a determined Chillicothe team 10-8. Also on the Champion team were five members from the class of '60--Don Kindilien, Chuck Ford, Al Gratton, Bill Pullen and Tom Detra.

Those members of the track team not pictured here are Al Gratton and Chuck Ford.

The D-Men's Club is an organization that promotes good sportsmanship within the school and enables its members to proudly wear the letters they have earned. To be eligible for membership the men must pass two requirements. Their grades must average at least a "C," and they must earn a major letter in one of the four major sports; football, basketball, baseball, or track.

This year one of our activities was to attend the Green Bay Packers vs. the Chicago Bears game in Chicago. This trip was financed by a "D-Men's Drag" the previous Friday night.

Don Shover, Steve Cornish, Tom Missen, Dean Tumbleson, and Joe Masterson leave for Chicago.

With this "D" Tim becomes one of the D-Men.

Assemblies

Student Council President Dean Tumbleson addresses the student body.

"Three bells--assembly!" was heard many times this year. In addition to the general information and pep assemblies four special assemblies were presented. These special assemblies were presented by Paul Cusick, who gave a demonstration on cars and homes of the future; Marge Kelley and her Little Stars on Strings; Lloyd La Vaux, the poet of the concert accordian; and Ray F. Monsalvatge, financial advisor.

The purpose of these assemblies is to broaden the student's field of knowledge and to provide an entertaining break in the daily routine.

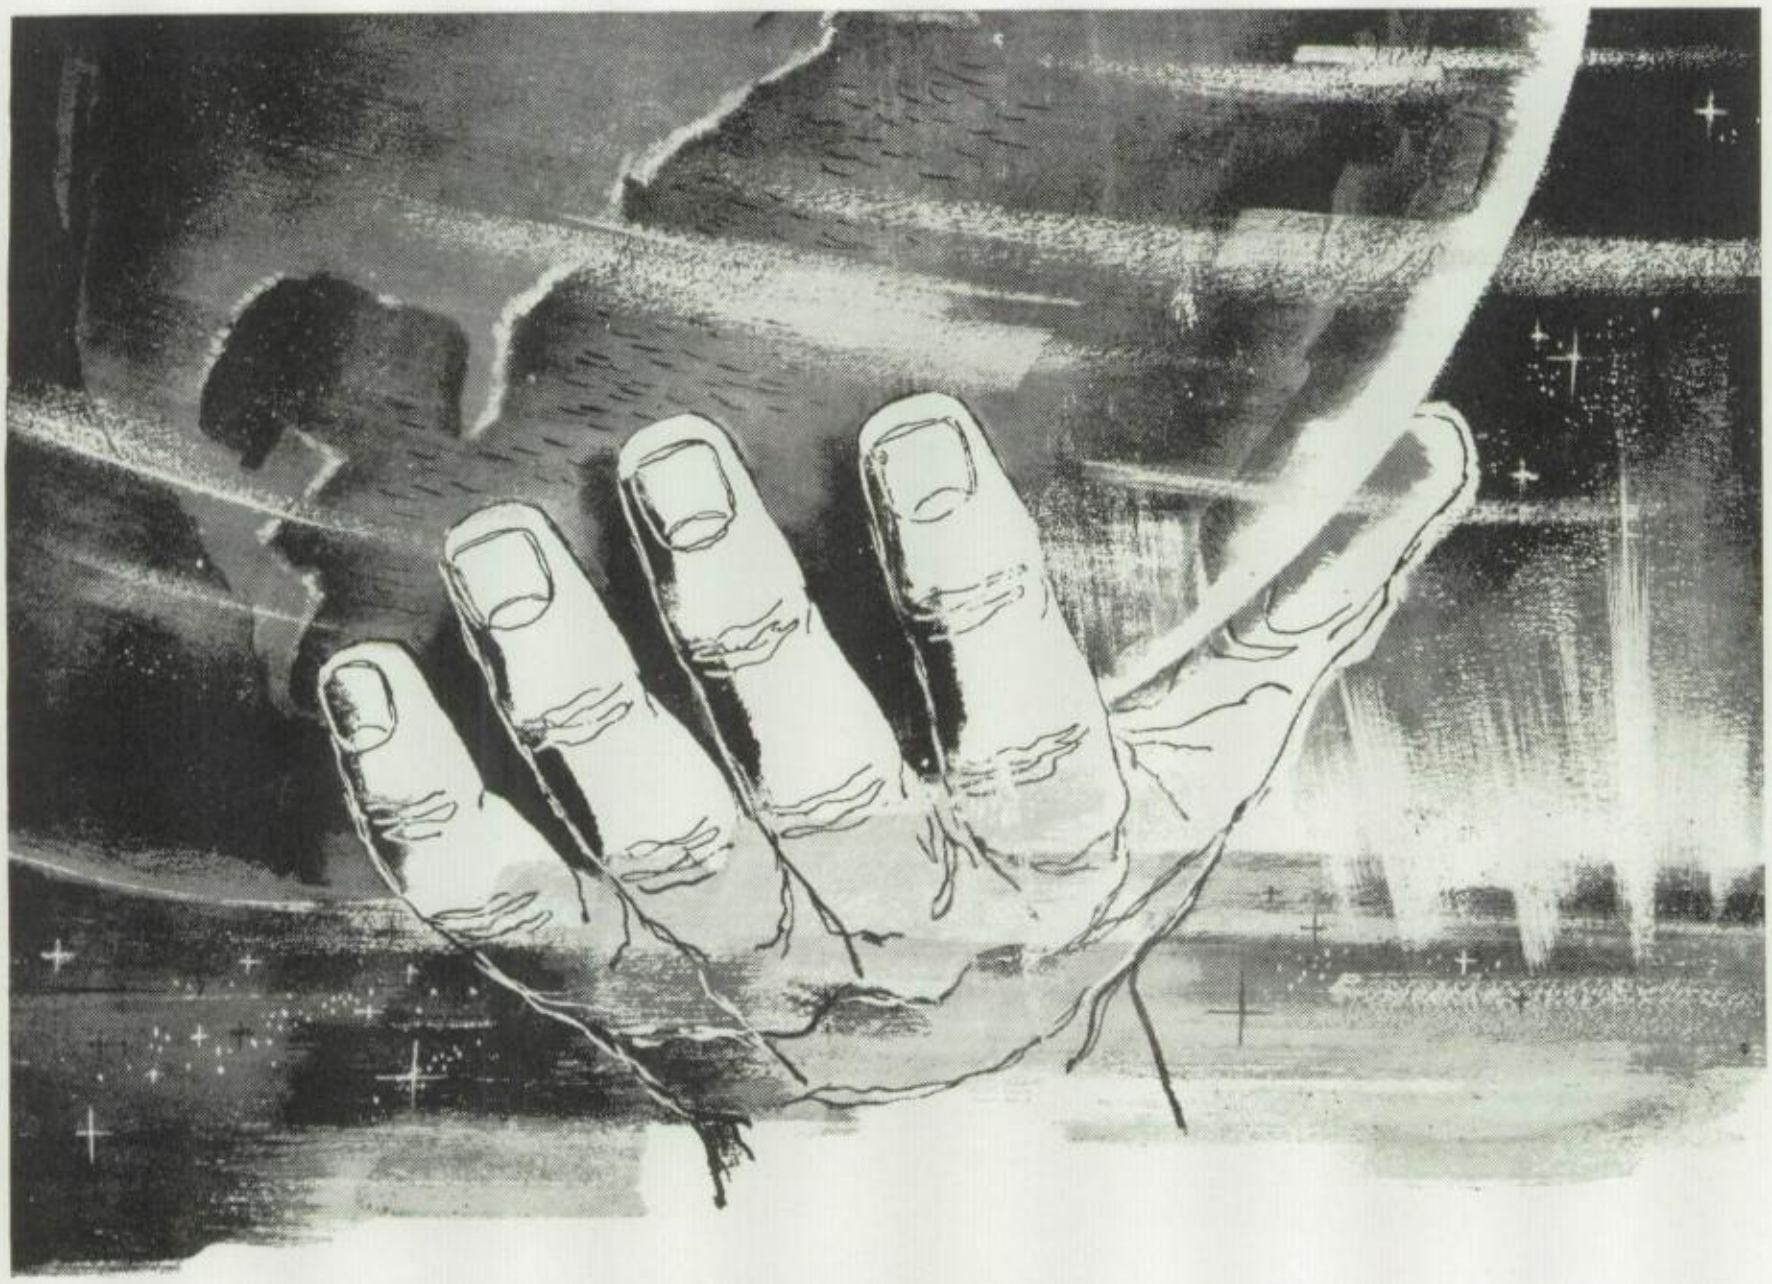
LaVaux, "The poet of the concert accordion."

Moonlight and Roses

The Gay Notes provided the music.

The 1960 Junior-Senior Prom was held in the Bradley University Student Center Ballroom on the night of May 14. The theme of the prom was "Moonlight and Roses," which was carried out by the simple but enchanting decorations. The guests danced to the melodious strains of the Gay Notes Orchestra. The Queen and King, seniors Sharon Stahl and Jim Wolland, were crowned by Mr. M. H. Huffman.

The hokey-pokey added variety.



for your hands...

It's a big, wide, wonderful world and we give it to you with our blessings. Our fathers gave it to us a generation ago. They told us it would be what we chose to make of it.

They made it very plain that an education didn't entitle us to any more of this world than anyone else; merely that with an education we'd be better equipped to face it, meet its challenges.

Our fathers told us we'd stand a better chance with an education, and that we'd get more out of life. It was true then, and it's still true now. And then, as though sensing an unspoken thought, our fathers added another word of caution.

"Nor is an education a substitute for hard work," they smiled. "It's just a great help in that work."

We offer you the same words as those we received. We offer you the same world, slightly changed, but essentially intact. It's for your hands to improve.

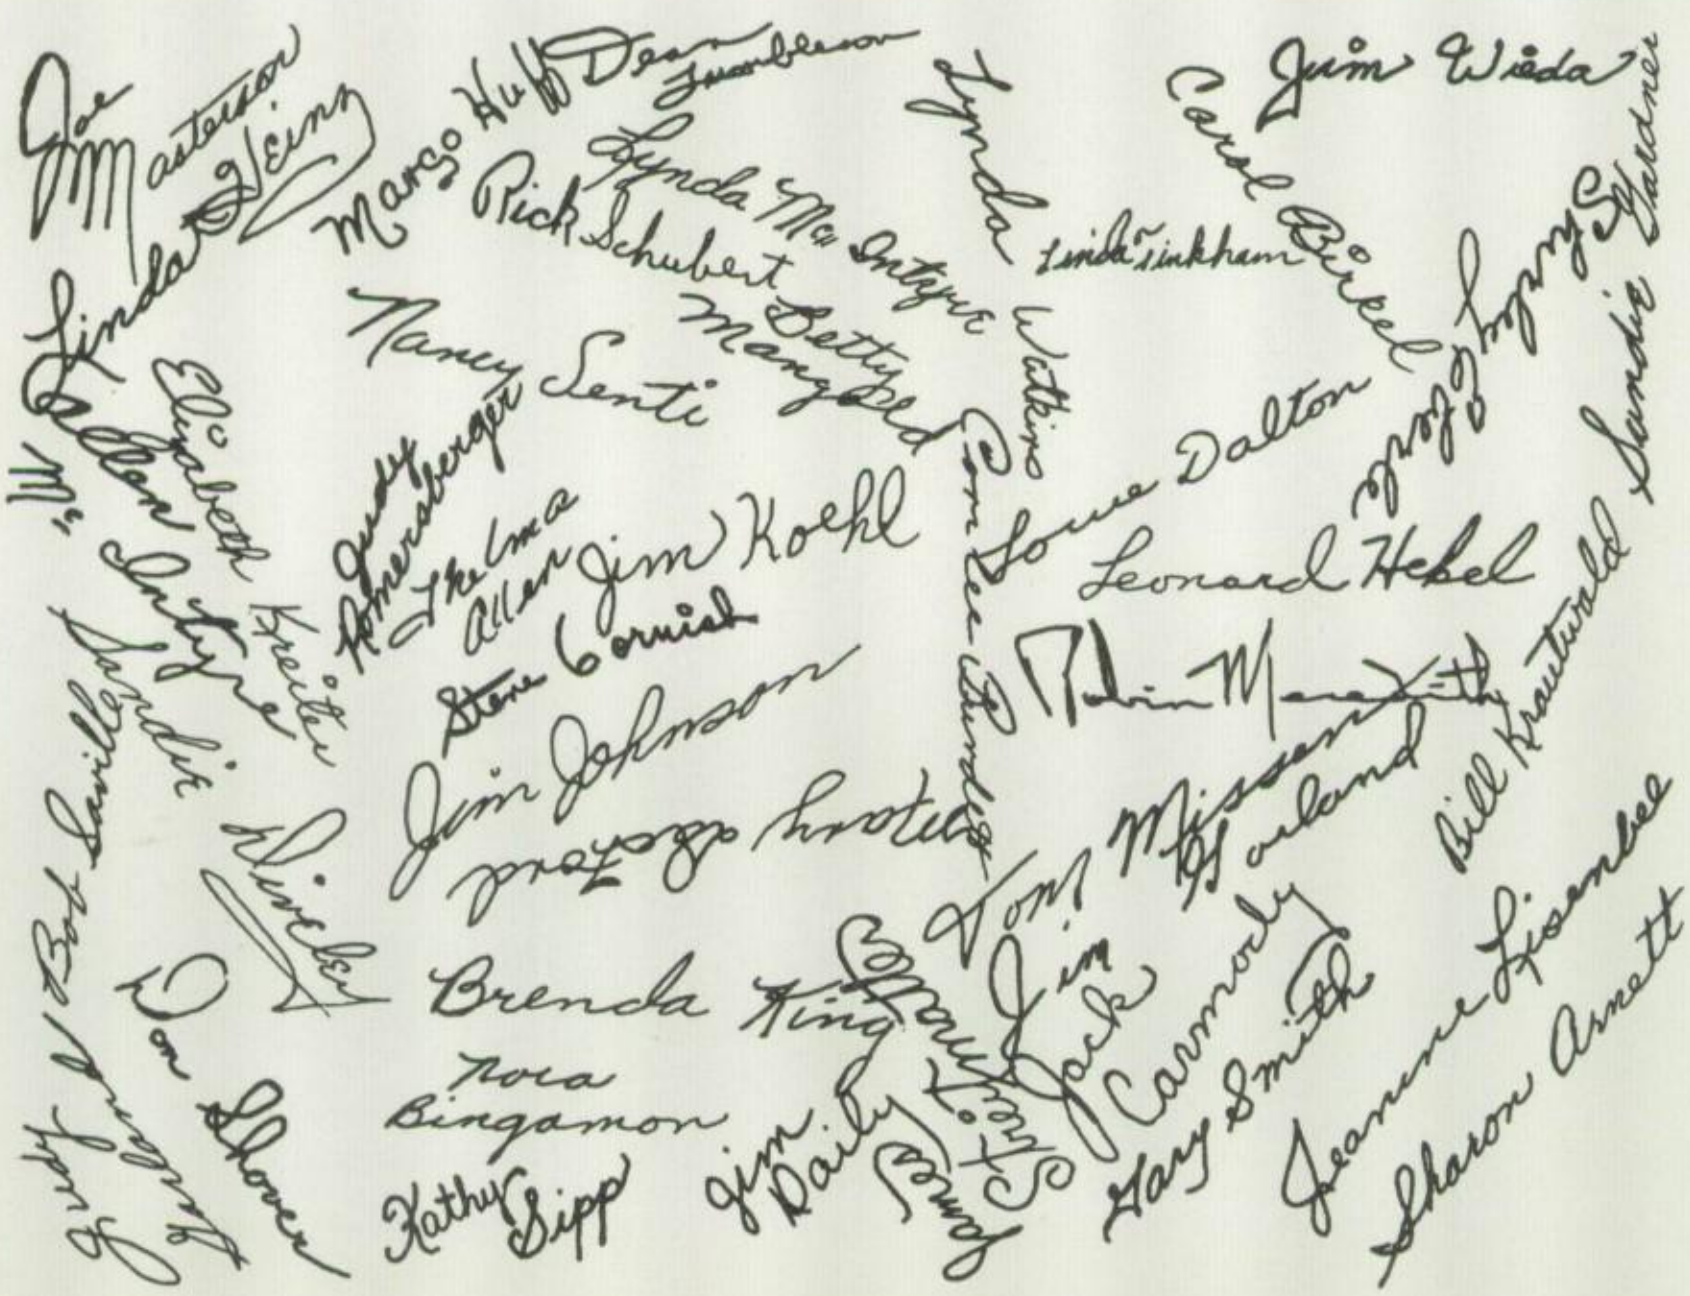
Compliments of VILMOS BRANYIK, M.D.

We, the Senior Class of 1961, thank all the advertisers who have helped make this 1961 EAGLE possible. Please patronize them.



Steve
Best wishes in the
future and don't let
the seniors get you
to much.
Kathy

Captain -
It's kind of hard
writing with all this
excitement. Keep
up the good work
and keep smiling.
I want to see
you at all girls
on Saturday.
Happy Landings

Sunshine - -
Between cosmetic rays
and a sharp sounding
band, mine really had
a year! And 1st place
in the skit too. Keep
up your bright colors
and bright ways
captain!
Sue "Ellen"
Platner

Steve
Best of luck
to a fellow band
and chorus member

Steve
...ll of us guys
might give you a
lot of trouble but cl
think you're a real swell
guy. See ya next year in
band. Be good!

Dale

Steve,
Loads of luck
to you in your
future years at
DHS.

Joe Dunlap
"63"

Captain - best of luck to a swell kid and a fellow English II student. We've had a lot of fun in that class. See you next year.

Jack Smith
"63"

Steve
It's been nice
knowing a nice
guy like you

Reid
"64"

Steve,
Good luck to a good
kid. It's been fun
knowing you this
year. See you next
year in chorus.

Tom Brown "64"

Steve
I enjoyed being
in the same
Biology class with
you this year. I
liked the way
you handled a
knife when you
dissected those
animals. Best
wishes to you in
the future.
Tom Cline

Steve
Best of Luck in
the future. I have
enjoyed knowing you

Donald Cravens

Steve (Evan),
I guess you're
a lot of nicknames by
now. I'll never forget
you. Best of luck to a real
swell guy.
Be good
